**Choreographer's note:** Please, when looking at angle of arm movements for U Turn shuffle the o'clock numbers are from the angle you are. Looking forward is 12 O'clock mid point of body (looking forward from the position you are). So when you turning it's still the same o'clock (slightly to right is 1 o'clock, slightly to left is 11 o'clock. It's just a reference for angle of upper body.
